This cozy ranch features 4 bedrooms and 3 full bathrooms along with an open floor plan.

This house has newer roof, new sky lights, new flooring, new Anderson windows through out. All the bathrooms have also been updated. The newly remodeled kitchen is open to the sunk in living room. Sellers would love to leave the beautiful entertainment unit.

The back yard has privacy and views of the pond behind the property. The covered patio is a perfect place to relax to the serene sounds from the water fall and pond in the back yard. There are three out buildings including a playhouse with views of the steam. All outbuildings are equipped with electrical, two with AC and cable. One outbuilding currently being used as a shop has internet, cable, electrical and AC
